### Learn-to-Swim Group Policies:

1. Classes fill on a first-come, first-served basis.
2. Classes will be held at the Student Recreation Center Outdoor Pool or the HPE Natatorium. In the event of severe weather, lessons will be in the HPE Indoor Pool.
3. **Families are not permitted to use the pools or other facilities before, during or after lessons unless you have purchased a membership to the Rec. Recreational swimming by family members of participants will not be allowed during group lesson times.**
4. We will evaluate children on the first day of class. To promote participant success, instructors may move participants to another level if they see fit.
5. All Student Recreation Center and Pool policies apply when present for lessons.
6. Group lesson participants must be of appropriate age to participate.
7. Please note that children may not enter the opposite genders locker room.
8. In order to promote a healthy learning environment, parents are not allowed to sit or stand on the deck near the lessons. Parents are asked to escort their children to the pool deck to meet the instructors then move to the patio furniture to observe lessons. Please do not leave the facility during lessons.
9. Please encourage your child to use the restroom before lessons. Accidents in the pool can happen. Incidents can include fecal deposits, vomit, etc. Please discuss with your child the importance of getting to the restroom and not using the pool as a restroom. If an accident occurs, the pool will be evacuated until it is safe for the participants to reenter the water and will most likely result in the lessons being cancelled for the rest of the day.
10. We understand there will be times when a child is having a difficult day. We would like to resolve any conflicts in a timely manner to avoid any negative effects on the learning environment and to keep your child involved in the lesson. On occasion, it may be necessary to give the child a chance to re-group. Below is the behavior policy:
  - a. 1st Offense: participant will receive verbal warning from the instructor explaining their inappropriate behavior
  - b. 2nd Offense: participant will sit out of the lesson for certain amount of time based on the nature of the offense
  - c. 3rd Offense: participant will be removed from the activity for the remainder of the lesson
11. Steps in the behavior policy can be skipped and a participant maybe be sent directly to the Learn-to-Swim Coordinator if the incident is deemed dangerous to any participants. Campus Recreation has the right to terminate a participant's registration (without refund) for any child not abiding by the policies set forth by Campus Recreation Learn-to-Swim.
