If you have already registered your account, use your login username and password to access LiveText.

If you have forgotten your login information, go to www.livetext.com and click on “Forgot?” Then, your login information will be e-mailed to you shortly.

General Faculty Information – Course Requirements

- You must have a LiveText account to access your course in LiveText
 - Emphasize: ALL College of Education students are REQUIRED to use LIVETEXT to complete their specific program assignments. Only students within a specific program need to complete assignments for that program in LiveText.
 - Form submissions are not graded with a rubric. Use the Forms table to complete faculty forms or to check to see if students have completed the required forms.
 - Do not require any LiveText assessments to be completed before the census date to allow time for enrollment rosters to be finalized.
-
