The committee focused on the review of resubmitted course and program additions, deletions, and modifications. Dr. Tareilo provided an updated Excel spreadsheet with this information. Dr. Tareilo asked the committee members if she could approve the changes made when revisions are resubmitted. The present committee members as a quorum approved the request.

In the review of resubmissions, some were returned for syllabus revisions. Dr. Tareilo will send a list of needs to each unit head and faculty who submitted the request.

This was the final curriculum committee meeting for the 2015-2016 school year.
