Committee members discussed two course fee proposals that were previously brought before the committee for approval. Dr. Michael Munro spoke to the committee members regarding the course fee request for RHB 400. There was a marked increase in the student fee. This was due to the end of a grant that previously paid for travel expenses. HMS 418 course fee request was also approved because of the provided itemization.

Course modifications were reviewed for approval.

The next meeting is scheduled for October 20, 2015.
