 - TVTF plans to Expand Yearlong Paid Residency Models
 - **What is a Teacher Residency?** (Per TEA) A **paid, full year** of clinical teaching/co-teaching in a K-12 classroom. (Dean Abbott reinforced this is not necessarily full time for residents. It is for 2 semesters and could be various schedules) Residents are paired with an experienced, **highly effective mentor** teacher. **EPP and LEA have shared ownership** over the preparation, support, and success of the teacher resident. It can take place at a **traditional, alternative, or post-bac certification routes**.
 - TCLAS Grant- Texas COVID Learning Acceleration Supports (TCLAS) Texas Education Agency. Funds that support paid residencies.
 - Advisory Council Thoughts on Partnering to Support Teacher Pipeline
 - MaryAnn is in support and thinks it is very beneficial.
 - Lufkin ISD representative, Betsy Mijares, was in support and talked about ways to connect with high school students that have an interest in the teaching profession.
 - Ronda McClain said they are working on securing funds to work closer with TAFE.
 - Amanda spoke about working with ISD's on a secondary level and asked about the sustainability of the residency model.
 - Christina Sinclair indicated this is what the US Prep National Center was helping us all to learn more about best practices for scaling residency model efforts.
