

## **Midterm Grades**

### **Purpose**

The purpose of this policy is to establish the guidelines for midterm (also called mid-semester grades) course grades for all undergraduate courses in the College of Sciences and Mathematics.

### **Persons Affected**

This policy applies to students and faculty within the College of Sciences and Mathematics.

### **Policy**

In addition to the course grade requirements set forth in SFA HOP 02-206 Course Grades, the College of Sciences and Mathematics requires college instructors of record to post midterm (or mid-semester) grades for all undergraduate courses offered by the College of Sciences and Mathematics.

### **Related Statutes or Regulations, Rules, Policies, or Standards**

[SFA HOP 02-206 Course Grades](#)

### **Responsible Executive**

Dean, College of Sciences and Mathematics
