Sr. Vice President for Enrollment and Student Engagement

CC: Student Service Fee Advisory Committee

Subject: Recommendation for Fiscal Year 2025 Funding Request

In accordance with Texas Education Code, Section 54.503, the Student Service Fee Advisory Committee submitted recommendations for supporting FY 2025 funding requests. After reviewing the committee's recommendations and considering the current fund balance, I recommended approval of an amended budget that maintains existing funding levels and provides additional support for programs experiencing increased membership and engagement.

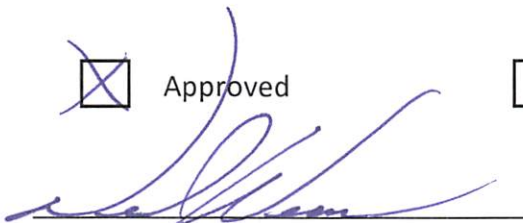

To ensure compliance with HOP 04-124, Student Service Fee Allocations, I am requesting retroactive approval of this recommendation.
