

# TRANSFER GUIDE

## Bachelor of Science in Interdisciplinary Studies with a concentration in early childhood through grade 6 core subjects

This guide outlines the courses to be completed through the Blinn College District prior to transferring to SFA's face-to-face completer program for the Bachelor of Science in Interdisciplinary Studies with a concentration in early childhood through grade 6 core subjects on the RELLIS Campus.

If you've earned 63 credit hours, including the required courses to transfer to the SFA program, or an Associate of Arts in teaching or an Associate of Science in education from Blinn, you can take your final 57 credit hours at and receive your BSIS EC-6 from SFA on the RELLIS Campus.

*NOTE: This is only a guide. It does not constitute an official degree plan.*

## NOTE THE FOLLOWING:

1. For the face-to-face completer program, you must apply to SFA through ApplyTexas.org. On your application, indicate your interest in the RELLIS Campus. SFA is a rolling admissions university, meaning there is no application deadline; however, we recommend submitting your application and documents before Aug. 1 for a fall start on the RELLIS Campus.
2. If you need hours/courses to transfer to SFA, you can complete those at your former school or at the Blinn College District. You must complete a minimum of 120 total semester hours (transfer and SFA hours) to earn the BSIS with a concentration in early childhood through grade 6 core subjects.
3. Rates applicable to this partnership are located in the "Texas Regional Universities - Upper Division Courses" section at [rellis.tamus.edu/tuition](http://rellis.tamus.edu/tuition).
4. When it's time for you to transition to SFA, consider applying for the Community College Transfer Scholarship at [sfasu.edu/scholarships](http://sfasu.edu/scholarships).
