

SFA Department of English and Creative Writing
Certificate in Advanced English Pedagogy

18 hours

Designed with a pedagogical focus specifically for teachers, this 18-hour certificate program develops the skills and content knowledge necessary for teaching lower-division, undergraduate college English. This hybrid program is ideal for teachers and other working individuals who seek to teach dual credit English and/or English at a community college.

The certificate program has been designed to be completable while also working on your English MA degree—provided that you take pedagogy 9 hours of pedagogy courses.
