MATH 1316	Plane Trigonometry	<u>3</u>																																																														
MATH 1314	College Algebra	<u>3</u>																																																														
GISC 2301	Introduction to GIS	<u>3</u>																																																														
GISC 2324+2024	Introduction to Spatial Science	<u>3</u>																																																														
GISC 3301+3001	GIS Applications	<u>3</u>																																																														
GISC 3390+3090	GIS in Natural Resources	<u>3</u>																																																														
GISC 4301+4001	GIS Database Management	<u>3</u>																																																														
GISC 4300+4000	GIS Programming	<u>3</u>																																																														
GISC 4305+4005	GIS Remote Sensing Applications	<u>3</u>																																																														
GISC 4310	Landscape Modeling	<u>3</u>																																																														
GISC 4315+4015	Spatial Analysis	<u>3</u>																																																														
GISC 4320	Ecological Planning	<u>3</u>																																																														
FORS 2323+2023	Surveying & Mapping	<u>3</u>																																																														
FORS 4343	Weather & Climate	<u>3</u>																																																														
Total		<u>42</u>																																																														
Cultural Resources Concentration																																																																
**Minor in Liberal and Applied Arts Required		<u>24</u>																																																														
Life and Physical Science Lab		<u>1</u>																																																														
**Approved Electives		<u>11</u>																																																														
Total		<u>36</u>																																																														
Total Degree Credits		<u>120</u>																																																														
Total	<u>42</u>																																																															

**Contact Academic Advisor
 ***Minimum grade of "C" required

Chanelle Svehla, Academic Advisor (A-J)
 P.O. Box 6109 SFA Station, Nacogdoches, TX 75962-6109
 Phone: (936) 468-2351 Email: chanelle.svehla@sfasu.edu

Brandy Bishop, Academic Advisor (K-Z)
 P.O. Box 6109 SFA Station, Nacogdoches, TX 75962-6109
 Phone: (936) 468-2940 Email: bbishop@sfasu.edu

It is the student's responsibility to complete the Degree Requirements as specified.
 A Final Graduation Plan must be filed in the Dean's Office the semester before the student plans to graduate.
