Transfer Work: You may transfer a maximum of 66hrs of Academics plus 4hrs of Activity from a junior/community college

Business Courses: You may earn no more than 30hrs of credit from the College of Business

Dropped Courses: Students enrolled in a Texas public institution may NOT drop more than six courses with a 'W' grade

Double-Dipping Rule: "Double-dipping" is using the same course to fulfill two different requirements in a degree plan. Normally, students may not double-dip more than 6-7 hours across their degree plan. Anything beyond that must be **approved by the Dean**

Repeat Credit: Students who make an 'F' in a course can get credit only by repeating the course. Students who want to repeat courses to improve their GPA at SFA must repeat those courses at SFA. For any course repeated at SFA, the grade earned in the most recent enrollment will be used to calculate the GPA. Credit hours for courses taken at other institutions to replace credit hours earned at SFA may be used to meet graduation credit-hour requirements, but not for GPA calculation.

*This is **not** a contract binding the University to offer a given course at any given time. Arrangements concerning the scheduling of courses will be made between the student and the advisor based on the information at hand. These arrangements will not be binding on the student or the University.*
