**SFASU Faculty Senate
Resolution on the Annual Publication of the General Bulletin**

October 9, 2002

WHEREAS recruitment and retention are important issues of enrollment at Stephen F. Austin State University;

WHEREAS clear and current program information can play a role in advising, recruiting and retaining students;

WHEREAS program development and curriculum requirements changes are common on campus;

WHEREAS it is important to accurately reflect the titles, qualifications, and membership of faculty and staff,

BE IT RESOLVED that the Faculty Senate recommends to the University administration that the General Bulletin be updated and printed on an annual basis as a measure to help faculty, advisors, staff and students better understand the requirements to succeed at SFASU.

The Resolution was passed unanimously.
