TEXAS Grant Hardship Appeal

Name: _____________________________________ Campus ID#: ____________________________
SFA email: __________________________________ Phone #: ______________________________

In the event of a hardship or for other good cause, an otherwise eligible student may be allowed to receive an award while:
- Enrolled for an equivalent of less than ¾ time, but at least ½ time
- With a GPA below SAP requirement, or
- With the number of completed hours below SAP requirements

If you would like to appeal in an effort to secure a TEXAS Grant disbursement, please complete and submit this TEXAS Grant Appeal form to the Financial Aid Office. Attach any documentation you feel is pertinent.

The appeal process does not guarantee the awarding of the TEXAS Grant for the year. The program coordinator will review all statements of appeal, supporting documentation, and academic records. All decisions are final and re-appeals will not be accepted. An appeal may be made for only the following circumstances (19 TAC, Section 22.230):

- An extension of the year limits due to documented hardship
- An extension of the attempted SCHs as the official census date due to documented hardship, or
- An exception of the 16 month rule for high school graduates due to documented hardship suffered by the student or the student’s family which would rank the student as on the institution’s neediest.

Please select the situation(s) that are most applicable to you:

- Responsible for the care of a sick, injured, or needy person
- Severe personal illness or debilitating condition
- Enrolling below ¾ time to complete degree plan
