

## **Student Evaluation of Instruction**

### **Purpose**

The purpose of this policy is to prescribe the university's policy on student evaluation of course instruction.

### **Persons Affected**

This policy applies to all faculty, undergraduate and graduate students.

### **Policy**

Students will have the opportunity to evaluate instruction for all courses in all semesters through the university's online evaluation system.

### **Procedures**

Members of the academic unit may determine additional evaluation instruments and procedures. Evaluation data are used for a variety of purposes including improvement of instruction, mentoring faculty, and personnel decisions.

### **Related Statutes or Regulations, Rules, Policies, or Standards**

Faculty Handbook

### **Responsible Executive**

Provost and Executive Vice President for Academic Affairs

### **Forms**

None.
