5. Please provide a rationale for your response

All clinical skills-based courses currently occur on campus in a face-to-face modality and have additional group-based interactions that the program believes to be valuable. All students are required to complete one clinical practicum in the program's training clinic located in the department to ensure students obtain the direct clinical hours, supervision, and feedback required to prepare them for off-site internships.

Please provide a name and contact email address of the person completing this survey. This address will be used if the CACREP office has any questions about the information provided in this survey.

REMINDER: Programs/Student Outcomes must be made publicly available on your program's website. The information to be posted includes the following four data points regarding each of your accredited specialty areas: (a) number of graduates in the past year, (b) completion rate, (c) licensure or certification examination pass rate, and (d) job placement rate of students/graduates. Posting a URL link to your completed Vital Statistics Survey report will satisfy this requirement.

Once this data has been posted, send the URL link to the location on your website via email to cacrep@cacrep.org. If your program submitted a Vital Statistics Survey last year and you have previously posted program outcomes on the program website, you need to update your program outcomes report to reflect the most current data. If the URL link to the outcomes report changes when you update this information, you need to send a copy of the new URL link via email to cacrep@cacrep.org.

You will NOT have an opportunity to receive a copy of your completed survey later. If you want a copy of your completed report, please ensure that you click the arrow at the bottom of the page and download the PDF.
