

RAISE CONFERENCE SPONSORSHIP INFORMATION

**STEPHEN F. AUSTIN
STATE UNIVERSITY**

THE UNIVERSITY OF TEXAS SYSTEM
NACOGDOCHES, TEXAS

**THE RAISE
CENTER**

DEAR POTENTIAL SPONSOR,

SFA's Research Advancing Identities and Student Experiences Center was established in spring 2022 with the aim of advancing research and outreach related to the identity development and experiences of college students. The RAISE Center seeks to address crucial issues facing our diverse student population, amplify their voices, affirm their identities, and advance their sense of belonging within our academic community.

In light of recent developments, particularly Senate Bill 17, it has become even more vital for us to proactively support initiatives that promote our campus community's diverse populations. The RAISE Center is uniquely positioned to take over the university's existing Diversity Conference previously sponsored by an office no longer permitted by SB 17.

The proposed RAISE Center Diversity Conference will provide a platform to discuss and highlight student populations, trends, and issues related to their experiences and identity development within the context of higher education.

We firmly believe that this investment in the RAISE Center's Diversity Conference aligns with the mission of the university to promote equitable educational experiences and empower our students from various backgrounds.

There are also opportunities to sponsor elements of the conference, such as the presenting sponsor, excellence award sponsor and others. We hope you will choose to support the conference by participating as a partner with the RAISE Center. Thank you for considering our request, and we look forward to the possibility of working together to bring this important project to fruition. For questions, contact Dr. Gina Fe Causin and Dr. Michael Walker at raise@sfasu.edu or (936) 468-1411.
