Continuous Evaluation of

Discipline-Specific Accreditations

The Academic Unit contacts the Discipline-Specific Accreditor and SFA provost to keep them apprised of program changes or changes which may affect accreditation.

The U.S. DE assesses Discipline-Specific Accreditors and regularly reviews them for continued U.S. DE recognition.

SACSCOC evaluates information from U.S. DE regarding approved accreditations.

The SFA Provost and the Academic Unit continuously communicate regarding Discipline-Specific Accreditation status changes with a formal checkup at least twice a year.

The SFA Provost keeps SACSCOC apprised of changes to U.S. DE approved Discipline-Specific Accreditations through the SACS Institutional Summary or other appropriate communication.
