

# TRANSFORMING THE STUDENT EXPERIENCE TOGETHER

- If you were given the chance to improve how student dollars are used to reshape the SFA student experience, would you take it? By participating in the **Student Referendum**, you have the opportunity to leave a legacy and transform the SFA experience with a smarter funding structure.
- This referendum is about transforming your experience, your organizations, your opportunities and your future at SFA.

## STUDENT REFERENDUM BENEFITS

### **\$1 MILLION+ BACK TO STUDENTS**

Passing this referendum will create a dedicated funding source that frees up over \$1 million each year currently supporting athletics instead of student experience initiatives.

### **MORE SUPPORT FOR STUDENT LIFE**

Expands funding for student organizations, clubs, academics, research, conferences, travel and more.

### **SMARTER FUNDING STRUCTURE**

Separates athletics funding from existing tuition and fee dollars so student life no longer competes for the same limited resources.
