SHUTTLE TIPS

- Shuttle routes only operate during fall and spring semesters.
- Bad weather, rush hour traffic and peak class times can affect schedules and seating availability.
- For passenger safety and comfort, SFA does not allow eating, drinking or smoking on the shuttles.
- Items left on the bus will be taken to the lost and found at the Baker Pattillo Student Center Information Desk.
- Make sure you arrive at the shuttle stop with plenty of time before the next scheduled departure. The shuttle will only pick you up if you are waiting at a designated SFA shuttle stop.
- Have a seat, relax and watch for your destination. If you are standing, stand behind the white line at the front of the shuttle and never stand or sit in the stairwell of the shuttle.
- Pay attention so you do not miss your stop. Once the shuttle has pulled away from the stop, the driver cannot let you off.
