

STEPHEN F. AUSTIN STATE UNIVERSITY

Children's Performing Arts Series Parking

PARKING INFORMATION

For cars, vans and small buses

-  Plan to arrive early. Parking spaces along Vista and Alumni drives may be available but are often full.
-  A campus parking lot sits at the corner of North and Wettermark streets but could be full. A short walk down North Street brings you to the main level of the Griffith Fine Arts Building where Turner Auditorium is located.
-  The parking garage at Raguet and East College streets will most likely have available parking. Once parked, the easiest route to the auditorium is to walk down East College Street and take a left at North Street, bringing you to the auditorium level of the Griffith Fine Arts Building.

For large buses

-  • Buses will load and unload eastbound on East College Street at the small parking lot behind the Wright Music Building. Do not pull into the parking lot. A uniformed traffic officer will coordinate unloading. After unloading, park at the Commuter Lot on University Drive. To get to the Commuter Lot, go to the end of East College Street, take a left onto University Drive and a left into the parking lot.
- Bus drivers should stay with the buses. Bus parking is located a long distance from the performance venue, and drivers will not have time to walk back and forth to attend the performance. University personnel are not available to transport drivers from the venue to their bus.
- Traffic personnel will coordinate bus departure from the Johnson Coliseum parking lot back to the loading area at East College Street. Buses will be dismissed in stages near the end of the performance (10:15 a.m. or 1:15 p.m.) to load the students. As you leave the Johnson Coliseum parking lot, take a right on University Drive, a right on Starr Avenue, a right on North Street, and a right on East College Street. A uniformed traffic officer will coordinate bus loading at East College Street.

Griffith Fine Arts Building is located at 2222 Alumni Drive and houses Turner Auditorium in Room 210.
