Health Insurance for Students Policy 3.11

Original Implementation: November 15, 1993
Last Revision: January 2024

Applicable to all programs:
All students will have personal health insurance while in a clinical course involving the clinical care of patients. Students will upload proof of that insurance to the designated tracking program, before the first day of the semester involving clinical care of patients.

PROCEDURE

1. A copy of either the policy or the insurance card, as well as a copy of the student’s driver license or official ID, will be submitted to the tracking program

2. If a student does not meet the above requirements before the first clinical day of each semester, the student will not be allowed to attend clinical. Clinical demerits will accrue resulting in the student failing the course.
