

Disposition of Abandoned Personal Property

Original Implementation: October 18, 1988

Last Revision: January 28, 2020

Lost property means any unclaimed personal property coming into the possession of the university, other than motor vehicles as defined in the Texas Transportation Code. Property shall be deemed abandoned if the rightful owner does not come forward and make a valid claim within ninety (90) days of the university's original possession.

Unless the abandoned property is being held as evidence to be used in a pending criminal case, the university may dispose of the abandoned property by public sale. The proceeds of the sale will be used for student service activities as directed by the Dean of Student Affairs. Abandoned cash will be deposited into a university account to be used for student service activities as directed by the Dean of Student Affairs.

Should a person make a valid claim to property after it has been deemed abandoned, but prior to its disposition under this policy, the property will be returned to the owner.
