

Markers, Monuments, and Artwork

Original Implementation: July 17, 2001

Last Revision: April 11, 2022

Purpose

Stephen F. Austin State University has a large dynamic campus that is constantly in a state of change to meet the various needs of the diverse departments that make up the university as a whole. There are limitations on where and how markers, monuments, and artwork may be added to or removed from the campus so as not to encumber future university needs. The rules articulated in this policy apply to all students, faculty, staff, and their approved organizations, as well as all other persons and groups.

Definitions

Markers, monuments, or artwork include all types of features that are erected, affixed, or otherwise installed on any institutional building or land for a time period extending beyond 14 days.

Non-permanent markers, monuments, or artwork would be those meeting the criteria described in Policy 16.24, Section IV concerning signs displayed for 14 days or less.

General

Markers, monuments, or artwork including historical markers or signs, may be placed on or removed from campus when it is in the best interest of the university. The university master plan committee can review requests and make recommendations to the President's cabinet who will review location and design. The president will make the final determination on requests for non-permanent markers, monuments, or artwork. The president will make a recommendation to the Building & Grounds Committee of the Board of Regents for all other requests.

Markers, monuments, or artwork placed on campus without prior written permission will be removed by the PPD. Removed items will be held for sixty (60) days prior to disposal. Notification will be provided if possible.

New Marker, Monument, or Artwork

Upon receipt of a request for a new marker, monument, or artwork by a university stakeholder, the university can consider the following:

- Preservation of the beauty of the SFA campus;
- Historical significance;

- Advancement of the university’s educational mission;
- Building access and campus circulation is not impeded;
- Size, scope, and relevance;
- Copyright;
- Safety;
- Prominence and location on campus;
- Aesthetic merit;
- Funding for costs including installation, maintenance, and insurance.

Please note that each marker, monument, or artwork request will be considered individually based on the SFA campus master plan and SFA policy and procedure as well as current and future costs. The university reserves the right to refuse requests for markers, monuments, and artwork after review of the request.

Deaccession

Upon receipt of a request to remove a marker, monument, or artwork by a university stakeholder, the university can consider the following:

- Safety;
- Aesthetic merit;
- Historical significance;
- Accidental loss or destruction;
- Repatriation;
- Educational value;
- Building access;
- Size, scope, and relevance;
- Condition;
- Prominence and location on campus;
- Cost of maintenance and insurance.

Please note that each marker, monument, and artwork request for removal will be considered individually based on the SFA campus master plan and SFA policy and procedure as well as current and future costs. The university reserves the right to refuse requests for removal of markers, monuments, and artwork after review of the application.

Exceptions to Review

Markers or monuments honoring or in memory of an individual are limited to students, faculty, or staff who have passed away while in a student, faculty, or staff status. Such monuments are limited to the memorial walk area on the south side of the Ag Pond. Markers or monuments may not be

placed at any other location on campus.

Monuments will be purchased by the individual or group desiring to place the monument on the walk. Installation will be by PPD. The PPD will provide maintenance at the same level as the existing walk. Markers that are broken or otherwise damaged or lost will not be the responsibility of PPD. Requests to place a marker should be directed to the director of the physical plant.

The Walk of Recognition (located at SFA fountain plaza) includes markers and bricks as coordinated through the SFA Alumni Association. Requests and guidelines for placement of markers and bricks at the Walk of Recognition are established by the SFA Alumni Association separate from this policy.
