

Grants and Contracts Administration

Original Implementation: August 1, 2000

Last Revision: April 11, 2022

The dean of research and graduate studies establishes and makes available procedures for the programmatic administration of grants, contracts and other sponsored agreements. These procedures are outlined in the Grants and Contracts Procedures Manual published by the Office of Research and Graduate Studies (ORGS). The division of finance and administration establishes internal controls for the fiscal administration and reporting of grants, contracts and other sponsored agreements and is responsible for the negotiation of facilities and administrative (indirect) cost rate agreements with the federal cognizant agency.

These controls and procedures are designed to ensure that sponsored activities are conducted in accordance with university policies and procedures, with laws and regulations, and with the provisions of the grants, contracts and sponsored agreements themselves.
