

**STEPHEN F. AUSTIN STATE UNIVERSITY
ANNUAL CHARTER BUS CONTRACT**

1. INTRODUCTION

This Agreement (iContracts #292811) is entered into by and between Stephen F. Austin State University, hereinafter referred to as University, and B&T Vans, hereinafter referred to as Contractor, for the purpose of providing charter bus service to University.

1.1 CONTRACT PERIOD

The term of this contract will be effective from the date of last signature below through August 31, 2020.

1.2 SPECIFIC TRIP ARRANGEMENTS

This contract is a base agreement with University to avoid re-execution of complete contract documents each time a charter bus trip needs to be scheduled. Companies with contracts on file will have provided appropriate assurances and liability insurance certificates to be maintained by University for the period noted in this Agreement. When a need for charter services arises within University, solicitations will be taken as necessary to determine the contractor who will receive the specific business for that trip/activity. Companies with executed base agreements on file will only be required to provide a trip addendum to consummate the final charter bus purchase. The trip addendum will include specific information about the trip, times, places, cost, etc. and shall be agreed to by the University purchasing official and the requesting department. Additional signature by the contracting official at University of the trip addendum will not be required as long as this Agreement is on file and the term has not expired. If the trip addendum contains any additional terms, those terms must be agreed to in writing by an authorized official of University. In the event of any conflict, the terms of this Agreement shall prevail.

1.3 VOLUME

University does not guarantee Contractor any minimum or maximum amount of business during the term of this contract.

2. TRIP CANCELLATION BY UNIVERSITY

In such cases where it is necessary for University to cancel a scheduled trip, due to unforeseen circumstances, University personnel will strive to notify Contractor as soon as possible. In cases where cancellation of a trip occurs at least two (2) hours before embarkation or before the driver has been dispatched, there will be no trip and/or penalty charges assessed. For less than two (2) hour notification, any penalty charges assessed will not equal the full cost of the planned trip. Such charge should be no larger than is needed to defray Contractor's expenses.

3. TARDINESS AND ADDITIONAL EXPENSES

3.1 Should Contractor arrive more than one (1) hour behind schedule, all charges connected with alternate arrangements, either made by University personnel or Contractor, will be the responsibility of Contractor.

3.2 Contractor shall be responsible for any additional costs incurred by University due to Contractor's failure to provide the services in accordance with this Agreement, including but not limited to, breach of any warranty or representation in Section 4 below, mechanical failure, or tardiness.

Each Bond shall be accompanied by a valid Power-of Attorney (issued by the Surety company and attached, signed and sealed, with the corporate embossed seal, to the bond) authorizing the agent who signs the bond to commit the company to the terms of the bond, and stating (on the face of the Power-of-Attorney) the limit, if any, in the total amount for which he is empowered to issue a single bond.
