

Informal Bid - Conduit Bores from SFA Tucker House to SFA Teaching and Services Center

Due: 4/30/2025 at 12:00 p.m.

SFA is seeking informal bids for a vendor to drill conduit bores from the SFA Tucker House, located at 2900 Raguet St, Nacogdoches, TX to the Teaching and Services Center (TSC), located at 514 E. Austin St., Nacogdoches, TX, located on SFA's campus. The project consists of installing approximately 1000' of dual 2" conduit from the SFA Tucker House to SFA TSC Building. Vendor will be required to set pull boxes along the install path, approximately 400' apart. The vendor will also need to place conduit ends into existing boxes at the SFA Tucker House and SFA TSC Building.

Pulling fiber in the conduit is not included in this bid. Quantity is estimated and may be adjusted during installation. SFA Department will need to confirm any additional price increase before continuing work.

Materials:

QTY	UNIT OF MEASURE	MATERIAL	RATE	TOTAL
2000	FT	2" PE Conduit	\$	-
3	EA	24x36x24 Pullbox	\$	-

Labor:
