Tax exemption on lodging and meals

Linda,

The exemption will apply to lodgings and meals in RI when paid for by SFA.

Subject: Tax exemption on lodging and meals

Stephen F. Austin State University (SFA) recently received a Rhode Island sales and use tax Certificate of Exemption (#15409 issued May 22, 2017). Does this exemption apply to tax on lodging and meals, such as when SFA's athletic teams or employees are traveling in RI for university business/events?
