We ask for your assistance in making this event a pleasant experience for everyone in attendance. Any attendee who is disrespectful or disruptive may be escorted from the venue.

SFA officials are stationed around the concourse of the coliseum. If you need special assistance, please contact one of these representatives who will be happy to respond to your needs.

A sign language interpreter will be near the podium during the commencement ceremony. Reserved seating for people who are deaf and hard of hearing is available in Section 118, Rows A and B.

If you would like a graduate's name finger spelled, you may submit your request to representatives at the Disability Services table located east of the main entry doors outside of the marketing office. Please make requests prior to the platform procession.

The listing of graduates is based upon information provided prior to printing of the program. The appearance or absence of any name in the program does not constitute recognition or denial of completion of degree requirements. The program is issued as a ceremonial publication and is not an official record of graduates. The university apologizes for any errors or omissions.

COMMENCEMENT NOTES

The gowns caps, and hoods worn at university functions date back to the early days of the oldest universities in the Middle Ages. Monks and students wore them to keep warm in the damp and drafty 12th-century halls of learning. This traditional academic dress has been gradually revised to the modern form seen today.

All gowns have a semi-stiff yoke, long pleated front and intricate shirring across the shoulders and back. The bachelor's gown is worn closed and has long pointed sleeves. The master's gown may be worn either open or closed and has long square sleeves closed at the end, the forearm coming through a slit near the elbow. The doctor's gown also may be worn either open or closed but is distinguished by broad velvet panels down the front and by three velvet bars on the full bell-shaped sleeves. This velvet trimming may be either black or the color distinctive of the field of learning.

The black cap and tassel are worn by holders of all three degrees; however, the doctor's cap may be of velvet and the tassel of gold.

The hood (usually not worn by holders of the bachelor's degree) is a black shell, silk-lined in the color or colors of the institution conferring the degree. Stephen F. Austin State University colors are shown by a purple lining crossed with a white chevron. The velvet border of the hood is of the color signifying the field of study, or subject, not the college that awards the degree. Thus a degree conferred as Master of Science in Agriculture is maize, representing agriculture, rather than golden yellow, representing science.

Colors signifying various fields of learning as represented on our candidates are as follows:

Accounting, Business Administration	Drab	Counseling, Early Childhood Education, Ed.D., Educational Leadership, Elementary Education, School Psychology, Secondary Education, Student Affairs and Higher Education	Light Blue
Agriculture	Maize	Forestry, Resource Interpretation	Russet
Athletic Training, Kinesiology, Special Education, Speech-Language Pathology	Sage Green	Human Sciences, Psychology	Gold
Biology, Biotechnology, Chemistry, Environmental Science, Geology, Mathematical Sciences, Natural Science, Physics, Statistic	Science Gold	Music	Pink
Communication, Mass Communication	Crimson	Ph.D.	Dark Blue
		Public Administration	Peacock Blue
		Social Work	Citron

The universities represented by colors lining the hoods worn by our faculty are too numerous to be listed here; however, feel free to ask individual faculty members which institution their color represents.

THE UNIVERSITY MACE

The mace is a symbol of authority dating from the early Middle Ages in Europe. The earliest representation of the mace is shown in the Bayeux Tapestry in the late 11th century. It was the only protective weapon which ecclesiasts like the Bishop of Bayeux were permitted to carry. As used in royal processions, the mace came to symbolize the king's authority more than a defensive weapon. By the reign of Elizabeth I, the mace had become purely ceremonial and the objects themselves more decorative. The sergeants at arms and marshals in legislative bodies and universities all carried maces as visible tokens of authority. Maces in use in the United States date from 1756. The chair of the Faculty Senate, who carries the mace in graduation ceremonies, represents the authority of the faculty to protect and certify the degrees being granted by the university. The shaft of the mace is crowned by a head on which are mounted four representations of the university seal.

The mace is being carried by the Faculty Senate chair, or another designated member of the Faculty Senate.

THE CANDIDATES FOR HONORS

A student receiving a baccalaureate degree with academic honors has completed a course of study with at least 42 semester hours of SFA residence coursework excluding pass/fail hours and in the final 30 advanced-GPA hours (3000- and 4000-level courses) has a GPA as follows:

SUMMA CUM LAUDE	3.900 to 4.000
MAGNA CUM LAUDE	3.700 to 3.899
CUM LAUDE	3.500 to 3.699

The listing of graduates is based upon information provided prior to printing of the program. The appearance or absence of any name in the program does not constitute recognition or denial of completion of degree requirements. The program is issued as a ceremonial publication and is not an official record of graduates. The university apologizes for any errors or omissions.

"All Hail to SFA"

Oh future bright 'neath the

Purple and White

All hail to SFA.

'Mid Texas pines we have

Found peaceful shrines

Where ev'ry month is May.

Long live our Alma Mater,

Honor to thee for aye.

As years unfold, happy

Mem'ries we'll hold,

All hail to SFA.
