

How to Check Grades in MySFA

1. Log in to your MySFA account.
2. Click the "Academics" tab.

3. Recently updated grades will be posted in the center column of the page under the "Student Grades" heading. If grades are visible, you can click the links in this column to navigate directly to your grades in Self-Service Banner. If no recent grades are visible, go to Step 4.

The screenshot shows the MySFA Academics page. The page is divided into several sections:

- AARC TUTORING:** Includes a link to [AARC Services](#) and contact information: aarc@sfasu.edu or 936.468.4108.
- BRIGHTSPACE BY D2L:** Includes links to [Brightspace by D2L](#) and [Brightspace by D2L Support](#).
- STUDENT GRADES:** Displays the message: "You have had no grades posted in the last three weeks."
- ACADEMIC SUPPORT:** Includes links to [Center for Career and Professional Development](#), [Library](#), and [Disability Services](#).

A red arrow points from the [AARC Services](#) link in the AARC Tutoring section to the [Self-Service Banner](#) link in the Academic Records section.
