Advanced Search

1. The advanced search provides the means to be more specific when searching the term schedule.

The screenshot shows the 'Look Up Classes' search interface. It includes the following fields and options:

- Subject:** A list box containing Accounting, Ag. Engineering Technology, Agribusiness, Agricultural Development, Agriculture, Animal Science, Anthropology, Applied Arts & Sciences, Art, and Astronomy.
- Course Number:** A text input field.
- Title:** A text input field.
- Schedule Type:** A dropdown menu with options: All, Dissertation, and Independent Study.
- Instructional Method:** A dropdown menu with options: All, Hybrid/Blended, and Multiple or other Electronic.
- Credit Range:** Two text input fields for 'hours to' and 'hours'.
- Campus:** A dropdown menu with options: All, Doctoral, and Graduate.
- Course Level:** A dropdown menu with options: All, Doctoral, and Graduate.
- Part of Term:** A dropdown menu with options: All, 1st half of full term, and 2nd half of full term.
- Instructor:** A dropdown menu with options: All, Abel, Carolyn, and Abel, Charles Frederick.
- Session:** A dropdown menu with options: All, Afternoon, and Evening.
- Attribute Type:** A dropdown menu with options: All, Honors, and Kinesiology or Dance Activity.
- Start Time:** Fields for Hour (00), Minute (00), and am/pm (am).
- End Time:** Fields for Hour (00), Minute (00), and am/pm (am).
- Days:** Radio buttons for Mon, Tue, Wed, Thur, Fri, Sat, and Sun.
- Buttons:** Section Search and Reset.

Red arrows from the text on the right point to the Subject list, Schedule Type dropdown, Instructional Method dropdown, Credit Range input fields, Campus dropdown, Part of Term dropdown, Instructor dropdown, Session dropdown, Start Time fields, and the Days radio buttons.

There are many ways to use the advanced search.

1. By Subject: You can type in a subject instead of scrolling. You can also select multiple subjects using your Ctrl button.
2. By Method: Here is an easy way to find online or "Web" based classes.
3. By Credit Range: This is a handy search feature that can be used to limit your search to a certain credit hour range. For instance, if you only needed a one hour course, then you could input "1.0 hours to 1.0 hours".
4. By Course Level: Search for only Masters or Doctoral courses.
5. By Part of Term: First-half and Second-half semester courses can be searched for or filtered out using this section.
6. By Time: You may search for classes within certain time allotments. Be broad in time range!
7. By Days: **USE WITH CAUTION!** Selecting multiple days will only bring up classes that meet on each of those days. For instance, if you check Tuesday and Thursday, then only classes that meet on BOTH of those days will appear in your results. If you check Mon, Tues, Wed, Thurs, and Fri, then no classes will appear in your results because NO class meets every day of the week.

**USING MULTIPLE SEARCH FEATURES
WILL LIMIT YOUR RESULTS.**

Step 7: Class View

1. The Class View is the list of classes being offered in the chosen term and subject. Scroll through the list to find the proper course and click 'View Sections'.

The CRN, Subj, Crse, Sec, and Title columns contain basic course information.

The Days and Time columns note when the course meets.

M = Monday T = Tuesday W = Wednesday
R = Thursday F = Friday

The Cmp column notes what campus the course is located on.

M = Main Campus 8WW = Online

Most courses will use these while there are other campus codes that indicate SFA courses being held elsewhere.

The Cap, Act, and Rem column contain information on the section's current enrollment. The columns to the left with the additional 'WL' indicate the current Waitlist information.

Cap = Max Capacity Act = Actual Enrollment
Rem = Remaining Seats

The Instructor column shows either the instructor assigned to the section or 'Unassigned Staff', noting that there is not yet an instructor assigned in the system.

The Date (MM/DD) column show the course dates. SFA has small terms within both fall and spring. You can distinguish between full, first-half, and second-half semester courses using this column.

The Location column indicates the building and room where the course will be held.
