## ANNUAL CAMPUS SECURITY AND FIRE SAFETY REPORT - 2020

### Violence Against Women Statistics

On March 7, 2013, the Violence Against Women Reauthorization Act of 2013 was signed by the President of the United States with provisions and amended sections of the Higher Education Act of 1965 otherwise known as the Jeanne Clery Disclosure of Campus Security policy and Campus Crime Statistics Act or Clery Act. Although the Department of Education has not completed the rulemaking process and the final draft has not gone into effect, institutions must make a good faith effort to comply with the statutory provisions. In doing so, the institutions are required to compile statistics for incidents of domestic violence, dating violence, sexual assault and stalking. To view the definitions of domestic violence, dating violence, sexual assault and stalking and for more information regarding the Violence Against Women Act, please refer back to page 15 of this document.
