**MONETARY TRANSFERS**

A. **Purpose:** The Stephen F. Austin State University Police Department strives to maintain a safe and secure working environment for all members of the Stephen F. Austin State University community. In doing this the Police Department offers assistance with the secure transportation of monetary transfers to and from local banks by members of the Stephen F. Austin State University business community. This service is provided as a courtesy and a safety and security measure, not as a convenience to other Stephen F. Austin State University departments or businesses. The Police Department is not a courier service. This order provides guidelines to all employees within the Police Department that assist in providing these services, and to the members of the Stephen F. Austin State University business community that choose to use them.
B. **Guidelines:**

1. Monetary transfers will only be performed by armed and commissioned peace officers.

2. Officers shall activate their in-car video systems and body worn cameras prior to beginning any monetary transfer. Both recording devices shall remain on throughout the duration of the transfer.

3. Officers will not accept, handle, or transport any money that is not secured in a locked bank bag. Unsecured money may be transported by an employee of the department requesting the monetary transfer in a separate vehicle; and officers will escort the employee to and from the bank.

8. The Police Department will perform one monetary transfer per requesting department per business day.

9. Departments requesting a monetary transfer are expected to have their deposits prepared by 11:00 AM, and to notify the Police Department when the deposit is ready for pick up. In the event that a deposit is unable to be prepared by 11:00 AM, the requesting department is expected to notify the Police Department of the reason and expected length of the delay. It will then be the decision of the shift supervisor whether the deposit is picked up that day, or is postponed until the next business day.
10. Departments notifying the Police Department to request a monetary transfer are expected to have their deposits ready by the time officers arrive for pick up. Any deposits that are not ready when the officers arrive will be postponed until the next business day.

11. Departments expecting currency, change, receipts, empty bank bags, or any other items to be brought back to them following their monetary transfer must have personnel standing by to accept the items upon the officers’ return, regardless of the department’s regular business hours or employee break times.
