Graduate Degree Plan

The advisor, in consultation with the student, will file a degree plan after all undergraduate deficiencies and required standardized tests are completed and the student has been fully admitted to the program. The degree plan must be aligned with the appropriate catalog term required for the student of record, and include only university approved curriculum. Any desired changes to a degree plan, which deviate from approved curriculum, must include a "petition to change degree plan" form. Candidates for graduate degrees must complete the comprehensive exams or the program's equivalent before graduation. An advisor should not complete a Degree Plan form while the student is under provisional admission, on probation or has a GPA of less than 3.00.

This form will be submitted to the Academic Unit Head and, after approval, will be emailed to coegrad@sfasu.edu for review and approval by the College of Education Graduate Studies Coordinator and Dean. After final approval, the Program Coordinator must provide a final copy to the student.
