

Agenda

Faculty Meeting

January 18, 2011

HMS North Room 115

1. SACS

Syllabi – State Law they must be up by day 3 of classes

**Note** present on Academic Rigor (**SACS** has looked at our cross listed syllabi...must show all graduate syllabi to represent this rigor. Make sure they are RE-posted through Nelda so they are consistent throughout (575's etc) **TRAC DAT – up to date!**

2. State Legislators and Higher Ed Coordinating Board – 120 hour degree plans

If not at 120 then look at chart (attachment). Are the majority of programs AT 120 in your field? If so then how do we justify being over 120? Look at degree plan sheet (Mary Olle) and see if the info is correct? Program coordinators meet with me during performance evals to discuss each degree plan.

- a) Correct?
- b) any changes?
