## How to use the R.O.A.D. Map:

Each section of the R.O.A.D. Map has a specific purpose and potential area of growth for our students. It is our hope that as you progress in your studies, you will have an increasingly diverse range of experiences that will help your resume stand apart in the job market. We want our students to begin with the end in mind and focus on how what you do now can help you in the future. Here is what each section of the Map represents:

Get Informed About Your Degree Plan	Prepare for Life After Graduation	Network with Peers and Faculty	Think Globally
---	--------------------------------------	-----------------------------------	----------------

There are a few acronyms on the Map that are explained below:

- UCS** – University Career Services
- HMS** - School of Human Sciences
- COESS** – College of Education Student Services
- ASID** – American Society of Interior Designers
- IIDA** – International Interior Design Association

# Interior Design
