**Original Implementation:** September 1, 1961

**Last Revision:** July 21, 2020

## SECTION I: GENERAL PROVISIONS

1. **General:** Pursuant to the authority granted by the Texas Education Code and as approved by the Board of Regents of Stephen F. Austin State University (SFA), these *Parking Regulations* are promulgated to regulate and control parking and the use of parking facilities, to provide for the issuance of parking permits, and to provide for jurisdiction over offenses. These rules and regulations are supplementary to applicable ordinances of the city of Nacogdoches and the statutes of the state of Texas that govern pedestrians and the use of motor vehicles and bicycles.
  - A. The operation of a motor vehicle or bicycle on university property is a **PRIVILEGE** granted by the university and is not an inherent right of any faculty/staff member, student or visitor. All faculty, staff, students and visitors who park on university property must have a university parking permit or park in a short-term paid parking space. A parking permit signifies that an individual has been granted the privilege of parking a vehicle on university property and does not guarantee a parking place on campus.
  - B. The university assumes no liability or responsibility for damage to or theft of any vehicle parked or driven on campus. The university assumes no responsibility or any duty to protect any vehicle or its contents at any time the vehicle is operated or parked on the campus. No bailment is created by granting any parking or operating privileges regarding a vehicle on any property owned, leased or otherwise controlled by the university.
  - C. Each person operating a motor vehicle on university property is responsible for obeying all university parking services regulations as well as all city and state parking regulations. All vehicles operated on the university property must display a valid parking permit 24 hours a day, 365 days a year.
  - D. These regulations are in effect at all times on university property including semester breaks, holidays, weekends, and intersessions.
2. **Administration and Enforcement of these Regulations:**
  - A. **Parking:** The Parking Services division of the SFA University Police Department (UPD) is authorized to enforce these regulations and is responsible for the administrative functions relating to parking permits; establishing procedures and requirements for the issuance of

parking permits; the collection of enforcement fees for parking services violations; establishing requirements for the submission of appeals; the processing of appeals from parking services citations; and for management of parking lots and garages. The Parking Services department supervises parking enforcement assistants who issue parking citations and provide other services such as lock-out and jump starts.

- B. The Stephen F. Austin State University Police Department (UPD):** The University Police division of UPD is also authorized to enforce these regulations at any time or under any circumstances deemed necessary. UPD officers may issue university citations or court appearance citations enforceable in justice of the peace or municipal court.

The Board of Regents of Stephen F. Austin State University is authorized to employ campus police personnel. Such officers are commissioned as Texas peace officers and are vested with all powers, privileges and immunities of peace officers in the performance of their duties. As Texas peace officers, Stephen F. Austin State University police officers have county-wide jurisdiction in all counties in which the university owns property.

All persons on university property are required to identify themselves to such officers when requested. Failure to produce identification upon request of an officer may result in arrest and appearance before a magistrate.

The university police shall be vested with the authority to refuse to allow persons having no legitimate business to enter upon any property under the control and jurisdiction of Stephen F. Austin State University and to eject any unauthorized persons from said property upon their refusal to leave peaceably upon request.

The university police are authorized to enforce the Texas Motor Vehicle Code, the Texas Penal Code, and applicable ordinances of the city of Nacogdoches, the parking services regulations of the university, and all other laws.

All accidents, thefts and other offenses that occur on university property or anywhere within the campus area should be reported to the university police immediately. Accident reports should be made prior to moving vehicles. One-vehicle accidents should also be reported. Vehicles should always remain locked.

- C. Appeals:** Any person receiving a citation may appeal. Appeals must be submitted online through mySFA and must be received within ten (10) calendar days of the date the citation was issued. Forms for submitting second appeals to the appropriate boards are available at the Parking Services office during regular business hours and on-line at <http://www.sfasu.edu/parking>. Boots and impoundments may be appealed in this same manner.

The director of parking services, or designee, serves as the appeal officer and will review the appeal and any information/evidence relative to its application. The appeal officer will

render one of the following decisions:

**Warning** means the appeal was granted and the fine was waived.

**Voided** means the ticket issued was not valid.

**Denied** means that the ticket has been upheld and the fine must be paid.

The appellant will be notified of the decision via their SFA email account. Should the appellant disagree with the decision of the appeal officer, they may make a final appeal to the appropriate hearing board.

### **Appeal Board Hearing:**

To appeal to a hearing board, the appellant must submit their appeal in writing to Parking Services within ten (10) days of the appeal officer's decision. Parking Services will notify the appellant of the date and time of their hearing via email to the appellant's SFA email address.

Student citation appeals are considered by the Student Government Association Supreme Court, which will for the purposes of this policy be referred to as the Student Appeals Board. Faculty/Staff citation appeals are considered by the Faculty/Staff Appeals Board.

While an appeal must be submitted in writing, an appellant may choose to present their appeal to the Board in person as well. It is the responsibility of the appellant wishing to appear in person to obtain the date and time of the appropriate Appeal Board meeting. The meeting dates for both of these boards are posted in the Parking Services office.

The board will review the appeal and render one of the following decisions:

**Excused** means the ticket and its resulting fine are excused.

**Upheld** means that the decision of the appeals officer was upheld and any resulting fine must be paid.

All decisions of these boards are final.

### **Appellant's Rights**

Appellants shall have the right:

1. to be present at the hearing
2. to be accompanied by an advisor of the appellant's choice and to consult with such

- advisor during the hearing (the advisor may only advise the appellant and may not actively participate in the hearing);
3. to know the identity of the traffic officer or police officer who issued the citation;
  4. to hear or examine evidence presented;
  5. to make any statement of mitigation or explanation;
  6. to have and cross-examine witnesses;
  7. to be informed of the disposition of the appeal
  8. to inspect and copy the record of the hearing at his/her cost.

### **Rules of Procedure**

1. The board may hear appeals for citations for which an application to appeal has been filed in accordance with these rules.
2. Each citation shall be appealed separately; except in the instance of consecutive citations for the same violation.
3. Each appeal shall be heard and decided on its own merit.
4. The board may examine, cross-examine, call, recall, and dismiss any witness.
5. The board may limit the number of witnesses whose testimony will be repetitious and establish time limits for testimony so long as all viewpoints are given a reasonable opportunity to be expressed.
6. The board shall maintain an adequate record of each hearing. Summary notes shall be deemed an adequate record for this purpose.
7. The chief of police, or designee, may represent the university in any hearing.
8. The board may enter into closed session for deliberation at the conclusion of the presentation of evidence.
9. The board's judgment must be rendered at the conclusion of deliberation.
10. A board member must excuse himself/herself from any appeal in which he/she is involved, or in which a member of his/her family is involved.

### **Findings and Sanctions**

The board shall decide only whether or not the defendant is guilty/responsible of the offense as charged in the citation.

The citation charges for each offense are established by the Board of Regents and may not be reduced or eliminated by the Appeals Board if the individual is found guilty/responsible of the parking offense.

Failure to appear at a hearing as requested by appellant shall result in a forfeiture of the personal appearance and the board's decision will be based on the written appeal.

3. **Authority:** Parking Services and UPD are authorized to enforce these regulations:

- A. Through the issuance of university citations and collection of enforcement fees, including the periodic billing of unpaid citations and the referral of individual cases pertaining to unpaid campus citations to a collection agency;
  - B. Through the impoundment of vehicles interfering with the movement of vehicular, bicycle, or pedestrian traffic, blocking a sidewalk or space for those with disabilities, loading dock, ramp, cross-walk, entrance, exit, fire lane, or aisle;
  - C. Through the impoundment or immobilization of vehicles for unpaid enforcement fees or display of a lost, altered, stolen or unauthorized parking permit;
  - D. By the suspension, revocation or denial of campus parking and driving privileges, parking permit and garage access privileges to those who have flagrantly violated these regulations;
  - E. By requiring either the vehicle owner or operator or the person who purchased the permit to appear in court for certain moving violations or at a university hearing for non-payment of outstanding charges or other violations of these regulations;
  - F. By barring re-admission and by withholding grades, degree, refunds and official transcript of any student for non-payment of outstanding charges in accordance with university standards;
  - G. By disciplinary action against employees or students who fail to abide by these regulations;
  - H. By such other methods as are commonly employed by city governments or state agencies in control of traffic regulation enforcement.
  - I. Violation of the university parking and traffic regulation is a misdemeanor punishable by a fine of up to \$200.
  - J. With approval of the vice president for university affairs, UPD and Parking Services may authorize an alternative method for the payment of fines that is consistent with the university's mission such as community service hours or the collection of food for area foodbanks.
4. **Proof:** The issuance of a citation reflecting the existence of any parking services control device, sign, short-term spaces, signal or marking at any location on university property shall constitute prima facie evidence that the same was in existence and was official and installed under the authority of applicable law and these regulations. When any person is charged with having stopped, parked and left standing a motor vehicle on the campus, in violation of any provision of these *Parking Services Regulations*, proof that said vehicle was, at the date of the

offense, bearing a valid university parking permit shall constitute prima facie evidence that said vehicle was then and there stopped, parked, and left standing by the holder of the parking permit. If the vehicle does not bear a valid university parking permit, proof that the vehicle at the date of the offense alleged was owned by an individual is prima facie proof that said vehicle was then and there stopped, parked and left standing by the individual.

**5. Responsibility:**

- A. The person to whom a university parking permit is issued is responsible for any citation issued with respect to a car displaying that permit or a vehicle registered through the Parking Services department by that person.
- B. If the vehicle does not display a valid university parking permit and is not registered through Parking Services to any university permit holder, then the person to whom the vehicle is registered through the Texas Department of Transportation or other state agencies at the time of issuance of the citation and that individual's university affiliate (faculty, staff or student) are responsible for the citation.

**6. Collection Methods:** The university may arrange for collection of debts due to the university pursuant to these regulations in the following manner and as specified elsewhere in these regulations:

- A. Permit payments may be deducted from employee payroll checks with the employee's permission. Deductions for all permit purchases will continue until the full price of the permit is paid or until the permit is returned. Employees are responsible for monitoring their paychecks to ensure that proper deductions are being made for their SFA parking permit.
- B. A financial hold may be placed against students for past due debts.
- C. Any charge not paid when due may be forwarded to a collection agency or an attorney for collection. The offender will be responsible for paying all costs of collection, including any agency fees and/or reasonable attorney's fees, which will be added to the total amount due.

These signs and maps indicate the type of permit for which the area is reserved. Parking along Aikman Drive is reserved for employees that are issued AA permits assigned to that lot.

Certain parking spaces have been designated as 20-minute parking spaces. These spaces are so designated to provide short-term parking for business access to the Stephen F. Austin State University Post Office, student center offices and other designated areas.

Parking more than 20 minutes is prohibited. Citations may be issued for each 21-minute segment of parking overtime.

#### **SECTION IV: PARKING REGULATIONS**

1. **General:** A vehicle operator shall park only in a parking space as authorized by the parking permit displayed or as otherwise specifically authorized by Parking Services or UPD. Each parking lot or garage shall be defined by appropriate signs and/or painted lines (when the parking area is paved). All spaces are designated, but not every space has a sign. It is the responsibility of the permit holder to park in the authorized area. Most lots are authorized for multiple types of permits. The various classes of parking permits and their eligibility requirements, privileges, and limitations are described in detail in this regulation. Parking in a garage requires either the appropriate SFA permit, or in the case of the Student Center Garage, payment by the hour.
  - A. A permit must be obtained for each academic year or portion thereof. Permits for the current academic year may be obtained at any time during the academic year. Permit purchase is through an online permit application for the next academic year beginning April 1. Permits will be mailed to the address provided by applicant on the first business day in August. All permits purchased after August 1 can be picked up at the Parking Services office. Only the permit purchaser, with a picture ID, may pick up a permit at the Parking Services office.
  - B. A permit must be displayed on the vehicle no later than the first business day that the vehicle is brought on campus.

- C. Only the permit for the current academic year should be displayed.
- D. Vehicles owned by students cannot normally be registered in the name of a faculty or staff member, unless approved by the chief of police or the director of Parking Services or their designee.
- E. Anyone whose SFA status changes must update their permit to reflect that change no later than the first university business day after the change takes place. If the permit number of a returned permit is legible, then the replacement permit will be issued for \$15. Otherwise, the regular fee will be charged. If the customer's permit designation changes from Housing to Commuter, and the person has already purchased the Housing permit, there is no fee for changing the permit to a Commuter in the middle of the academic year.
- F. A vehicle should not be sold with the parking permit still displayed.
- G. Damaged parking permits should be replaced immediately through the Parking Services office.

2. **Use of Parking Permits:** no person shall lend, sell or otherwise allow another person to use their permit, except as specifically authorized by these regulations. ADA parking is provided in all parking lots on campus. These spaces are reserved 24 hours a day, seven (7) days a week for the holders of state ADA parking placards or license plates. A current SFA permit is also required. Only the person to whom the ADA plate or placard is issued may use the permit for such parking.
- A. ADA permits and temporary handicapped permits are issued by the county tax assessor

collector of any Texas county.

Reserved parking spaces are reserved 24 hours a day/ seven (7) days a week for service vehicles, residence hall directors, visitors, and loading zones.

D. Faculty/staff members who have a valid ADA placard or license plate issued by the state of Texas may purchase a commuter permit in lieu of a faculty/staff permit.

7. **Expectant Mother, Temporarily Sick or Injured Permit:** A temporary permit or expectant mother permit may be obtained by a person who holds a current parking permit allowing them to park in specifically designated areas; areas designated will be based upon resources available and needs of the applicant.

9. **Visitor Parking:** Official visitors, not otherwise eligible for a university parking permit, may be offered visitor permits, not to exceed three days without the specific permission of the director of Parking Services. Visitor parking is set aside for special interest areas of the university. These spaces may not be utilized by university personnel, students or employees of private contractors assigned to Stephen F. Austin State University. These spaces are

reserved for bona fide visitors to the university. Visitors should obtain a visitor parking permit from the Parking Services office or the Information Booth on Griffith Blvd during normal business hours. Visitor permits can be obtained at the University Police Department after 5 pm and on weekends. Visitors are required to show a valid driver's license to obtain a visitor permit.

10. **Emergency Vehicle Parking:** Emergency vehicles are exempt from the provisions of these regulations when being operated in response to an emergency situation.

12. **Disabled Vehicles:** If a vehicle becomes temporarily disabled and cannot be parked in its assigned area, it must immediately be reported to the UPD. The fact that the vehicle is temporarily disabled will be recorded, and an officer will either render assistance or authorize temporary parking. Temporary parking will only be authorized for 24 hours or less. If parking for a longer period is necessary, authorization must be renewed at 24-hour intervals and such authorization shall not exceed three (3) days. Temporary parking will not be authorized in areas that are not parking spaces (tow-away or no-parking zones, etc.) or in disabled parking. Passes for the Student Center Parking Garage will not be issued without a minimum of 48-hour notice. This is to allow for the parking arrangements to be made to accommodate the visitors to campus. The fee for a department to utilize the parking garage for an event is \$3 per day per permit. The amount will be charged to the requesting department via Inter-Departmental Transfers (IDTs).

17. **Camps:** Camps hosted on university property are required to purchase parking through the coordinator of university reservations and conferences. These passes will be provided, based upon minimizing impact upon normal university operations, for a specific lot and can be commuter, resident, or faculty/staff spaces at a cost of \$3 per day. Permits must be ordered with a minimum of 48-hour notice.

## **SECTION V: PARKING PERMITS**

1. **Issuance of Permits:** The director of Parking Services may issue a parking permit to any person or company desiring to park on university property. The director of Parking Services shall allocate permits, at the director's discretion, among the faculty, staff, students and visitors of the university in a manner intended to serve the needs of the university.

A parking permit will be issued upon application online through the mySFA parking portal. All outstanding citations or parking fees must be paid before a permit may be issued. An individual may only use one parking permit at any time. Permits may be transferred to any vehicle registered on the parking account of the original permit purchaser. Ownership of all permits remains with the university and is not transferable.

The director of Parking Services may issue special permits for events to the host department. Parking areas are subject to closure by the director of Parking Services for special events, construction or other special circumstances. The director of Parking Services may establish fees for special circumstance parking, including event parking.

**Bicycles:** The university does not require the registration of bicycles; however, owners are encouraged to have bicycles marked for identification purposes at UPD. Information is located on the UPD section of the website at <http://www.sfasu.edu/upd/>. UPD will record bicycle serial number and description and make available an engraving tool to mark bicycles for identification. There is no charge for this service.

Parking Services is authorized to suspend campus parking and driving privileges on university property for any person whose vehicle is cited for displaying a lost, stolen or altered permit, or any SFA parking permit not issued in accordance with these regulations. Students will be referred to the Office of Student Rights and Responsibilities, and faculty/staff will have the matter forwarded to the appropriate dean, director or department head for disciplinary action.   - Expected attendance
  - Costs that may be incurred by department sponsoring event

## **SECTION VII: ENFORCEMENT**

### **1. Parking and Traffic Citations:**

- A. Issuance: Any person violating these regulations may receive a citation.
- B. Parking Services Authority: University Parking Services enforcement officers are authorized to write university parking citations.
- C. UPD Authority: UPD officers are authorized to issue university citations and court appearance citations for violation of these regulations. It is the general policy of the university to issue court appearance citations only for moving violations and for any violation when the individual's driving or parking privileges have been suspended, although UPD may issue a court appearance for any appropriate violation. All vehicles driven on Stephen F. Austin State University property are subject to all university traffic regulations, state of Texas motor vehicle codes and city of Nacogdoches motor vehicle laws. Moving violations may be issued on a city of Nacogdoches traffic citation or filed in the office of the appropriate justice of the peace or with the city of Nacogdoches Municipal Court.
- D. Fees for parking violations may be paid in person at the university business office between 8 a.m. and 4:30 p.m. Monday through Friday, online through an eBill, or mailed to:  
 Stephen F. Austin State University c/o Business Office  
 P.O. Box 13053, SFA Station  
 Nacogdoches, TX 75962-3053

- 2. **Failure to Discharge Court Appearance Citations:** Failure to discharge a court appearance citation may result in the issuance of an arrest warrant.
- 3. **University Citations:** University citations are issued for offenses listed in Section VIII: Driving and Parking Offenses. Any person receiving a university citation must remit the amount of the charge or submit an appeal to Parking Services within ten (10) days after issuance of the citation. Any towing, booting and/or storage fees for removal of an impounded or immobilized vehicle or bicycle must be paid regardless of whether an appeal has been submitted.
- 4. **Appeals of University Citations:** Any person issued a university citation may appeal the citation within ten (10) days of the citation's issuance online through the mySFA portal. Any citation that is not a warning must be appealed as described in these regulations.

5. **Failure to Pay Citation Charges:** Unpaid citations can result in student financial holds preventing students from receiving grades, refunds, official transcripts or graduating. Additional collection efforts may also be utilized as specified in these regulations. Ten (10) or more violations within one academic year may result in suspension of driving and parking privileges on campus and/or disciplinary action.
6. **Vehicle Immobilization or Impoundment:** Parking Services or UPD may immobilize (boot) or impound (tow/relocate to a storage area) a person's vehicle for the following reasons:

- A. the person and/or vehicle has accumulated three (3) or more past due parking citations

All citations issued will contain a notice informing the violator that a consequence of three (3) or more outstanding citations is the potential that their vehicle may be booted or impounded.

If a violator has two or more outstanding citations when a third is issued, a notice will be sent to the violator's SFA e-mail account notifying them that ten (10) days following the issuance of the third citation their vehicle will be eligible to be booted or impounded unless all of the outstanding citations are addressed by payment or by appeal if allowed within the time limits outlined in this policy.

Each notice, both physical and e-mail, will include information about how to pay or appeal the citation(s).

Violators who believe the Parking Services records are incorrect, or have any questions regarding any of the citations, should contact Parking Services within 10 days of the date of the notification at (936) 468-PARK (7275) Monday through Friday between the hours of 7:00 AM and 5:00 PM or by email to [sfaparking@sfasu.edu](mailto:sfaparking@sfasu.edu).

- B. the person and/or vehicle is parked in violation of the terms of a conditional release
- C. the vehicle is parked in an ADA space without displaying a state ADA placard or license plate
- D. the driver is illegally using an ADA permit assigned to another individual
- E. the driver is in possession of a lost, stolen, altered or unauthorized permit

Once a vehicle is immobilized, all outstanding citations and the immobilization or impound fee must be paid in full and an appropriate permit must be purchased prior to the release of the vehicle.

The university is not responsible for any damage to the vehicle during booting, towing, relocation, or storage. After notice has been posted on the vehicle, vehicles booted for longer

than three (3) days may be impounded (towed to a storage area). The owner and operator are jointly and severally responsible for any booting, towing or storage fees.

No vehicle may be towed without the express approval of the Chief of Police, the director of Parking Services, or their designee.

The immobilization device is the property of SFASU, Parking Services and UPD. Any attempt to tamper with or remove the immobilization device shall make the offender liable for destruction of state property and criminal charges may be filed with the University Police Department.

Section 2.C. of these regulations outlines the appeal process for citations, boots and impoundments.

## **7. Suspension of Parking Privileges:**

Notices of parking violations may constitute a suspension of parking privileges, and any fee assessed is for reinstatement of parking privileges for operators of vehicles registered with the university.

All violations involving registration of vehicles operated on the properties of the university are violations of the law and SFA Parking Services Regulations. Disposition of these citations at the university is a privilege extended by the university, which may be withdrawn at the university's option.

Violation of suspension of parking privileges may result in removal of the vehicle by tow away.

Driving and parking privileges may be suspended by Parking Services, UPD or the Office of Student Rights and Responsibilities if the violator has displayed a lost, stolen or altered permit or other flagrant violations of these regulations. The loss of the privilege of driving or parking a vehicle on campus shall commence immediately following notification of suspension. Such notification shall state the term of the suspension and consequences for violation of the stated terms. The violations of the suspension shall be reported to the Office of Student Rights and Responsibilities if the person is a student or to the appropriate dean, director or administrative official for possible disciplinary action if the person is a faculty or staff member.

If a person whose privilege of driving or parking on campus has been suspended receives a university citation by reason of having a vehicle on campus during the period of their suspension, the period of suspension may be extended and a referral to the appropriate university office may be made for further university disciplinary action.

A. A person receiving notice that their privilege of driving or parking on university property has been suspended shall return, without refund, the permit issued to the Parking Services office immediately.

**8. No Excuse:**

The absence of sufficient parking spaces on the university campus is not justification for violation of these regulations. Failure to enforce any regulation shall not constitute a waiver of the university's authority to enforce these regulations. Other improperly parked vehicles do not constitute an excuse for improper parking.
