Subject: Informal Bid (quote) for Tents needed for SFA
Attachments: Informal Bid Request-Tents.xlsx

Good afternoon,

I am looking for an informal bid request for the following sizes of tents, specifically, sizes of 40 x 80 and 30 x 75. The specific bid request is in the attached excel file.

We are looking for the price per each tent since we are unsure of the size and number of tents that we currently need. We would like your response as soon as possible (by noon on 8/7/2020 at the latest) since we are wanting them to be installed on 8/17/2020. If you have any questions, please email me since I am currently telecommuting and am slow replying to voicemail.

Thanks,

Nicole Ivancic
