

Faculty Evaluation of Clinical Agency Policy 2.4

Original Implementation: September 8, 1993

Last Revision: May 2019

To ensure a positive teaching-learning environment, each clinical facility will be evaluated annually by the instructor using that facility.

PROCEDURE

1. Each clinical instructor will evaluate all clinical agencies used by that instructor at least annually.
2. The clinical instructor will complete and submit the evaluations to the Evaluation Committee by the end of each spring semester.
3. The Evaluation Committee will inform the Director of the SON of those agencies not meeting benchmarks of 75%.
