

## **Health Insurance for Students Policy 3.11**

**Original Implementation: November 15, 1993**

**Last Revision: May 2019**

All students, applicable to all programs, will have personal health insurance, and will upload proof of that insurance to the designated tracking program before the first class day of each semester.

### **PROCEDURE**

1. Upon entry to the School of Nursing (SON), the designated staff will verify that of all students' health insurance coverage is uploaded into the tracking program. A copy of either the policy or the insurance card, as well as a copy of the student's driver's license or official ID, will be submitted to the tracking program before the first clinical day in the nursing program.
2. If a student fails to meet the above requirements before the first clinical day of each semester, the student will not be allowed to attend clinical. For BSN and RN-BSN Students: Failure to attend clinical results in an "F" Day. Three "F" days will constitute failure of the course.
