

Liability Insurance Requirements Policy 3.15

Original Implementation: September 10, 1993

Last Revision: May 2019

The Stephen F. Austin State University School of Nursing requires all nursing students who have patient contact to have liability insurance coverage.

PROCEDURE

The liability coverage fee is included in each student's course fees and billed by the University.

NOTE: The liability insurance provides protection for students while they are participating in clinical practicums, as required for academic course work.
