

Research Gift Notification and Compliance Information

To ensure that SFA is receiving maximum research funding from the state of Texas and to ensure safety and compliance with applicable laws and regulations, this form is required for all gifts designated for research purposes.

Name of Principal Investigator: _____

Department: _____

Donor/Sponsor: _____

Amount of gift: \$_____ Date of donation: _____ FOP: _____

The Office of Development should have evidence of that the gift is designated for research. Endowed research professorships are considered research. Please direct questions to ORSP, ext. 6606.

PI - Please check all categories applicable to research to be conducted with this gift:

[Human Subjects](#): Please contact the chair of the Institutional Review Board (IRB) for the Protection of Human Subjects before initiating such research. This includes interviews, surveys, questionnaires, psychological experiments, etc. Approval of each research protocol must be received before initiating any studies involving human subjects.

[Vertebrate Animals](#): Please contact the chair of the Institutional Animal Care and Use Committee (IACUC) before initiating research that includes vertebrate animals.

[Biohazards and Select Agents](#): Please contact the chair of the Biosafety Committee before initiating research that includes biological agents or toxins that have the potential to pose a severe threat to public health and safety or pose a potential threat to animal and plant health or to the safety of animal or plant products.

[Radioactive or Radiation Producing Materials](#): Please contact the University's Radiation Safety Officer before initiating research that involves radioactive materials and radiation devices.

[Export Control Regulations](#): Please contact the University's General Counsel before initiating research that involves the potential unlicensed export of certain goods, products, or information for national security and to protect trade.

None of the above applies to this purpose and/or application of this research gift.

I certify that I have disclosed any potential conflict of interest that results from a significant financial or related interest that could directly and significantly affect the design, conduct, or reporting of research activities conducted with these funds, and will comply with any conditions or restrictions imposed to manage, reduce, or eliminate actual or potential conflicts of interest.
